**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access is essential for my family and we chose a competitive provider (Sonic over Comcast) for the following reasons:

- Lower price.
- Faster internet speeds for uploads and downloads via fiber.
- Support a local company.
- No monthly data caps.
- Friendly and attentive customer service.
- Pledge to maintain net neutrality.

Please maintain the current environment where competitive providers can compete in the same marketplace as larger providers. Competition is healthy for consumers and it is important for consumers to have the freedom to choose between different providers of all sizes.
